At Manor Lakes P-12 College we will...

- Arrive prepared and on time, always engaging in a positive and calm manner.
- Be clear and allow time to explain our intentions and facilitate purposeful reflection.
- Promote an inclusive culture that plans for and celebrates difference.
- Respect and value our relationship with everyone in the Manor Lakes College community.
- Follow Manor Lakes College protocols when working (4 part lesson, expected behaviours, inclusive behaviours).
- Collectively take responsibility for and take care of the college: classroom environments, grounds and equipment at Manor Lakes College.
